

WRIT PETITION NO. 6980 OF 2017

under which provision of law, the application is filed. Moreover, the grounds raised as regards non execution of the release deed can be put forth during the cross-examination of the Respondents. At that stage, the said application was not tenable and hence, the trial Court has rightly rejected the application. In the writ jurisdiction, no interference is warranted in the impugned order passed by the trial Court.

4] The Writ Petition therefore being devoid of merit, stands dismissed.
