CORAM : A.K. MENON, J.

DATED : 9TH JANUARY, 2018

P.C. :

1. This civil application is taken out on behalf of the respondent-applicant, who seeks compliance of the order of reinstatement which is impugned in Writ Petition No.3668 of 2017. The reason for taking out civil application according to learned Advocate for the applicant is that after the petition was filed the objections have not been removed and the matter

remained pending and undated. Today, the Writ Petition is already numbered. There is no reason to hear the civil application. Learned Advocate for the applicant does not, therefore, press this application. Civil application is disposed of. No order as to costs.

2. List the petition for admission on 14th February, 2018.
