1 We have perused the order dated 27/03/2017 passed in Writ
Petition No.4752 of 2014 as also perused the grounds on which the recall of
the said order is sought, more particularly the facts stated in paragraph 4 of the
Civil Application. In our view, no case for recall or for grant of relief by way of
prayer clause (b) is made out. The above Civil Application is accordingly
rejected.
