Arss Biofuel Pvt. Ltd. vs. State of Maharashtra and Ors. decided on 13th December, 2017.**

(b) There shall be no licence required under the Maharashtra Prohibition Act for sale, purchase, transport, possession, storage, dehydration, import and export of denatured spirit.

(c) We hereby clarify that the power of the State Government in the case of rectified spirit supplied for industrial purposes is only to see and ensure that rectified spirit, whether in the course of its manufacture or after its manufacture, is not diverted or misused for potable purpose. The State can make necessary regulations

requiring the industry to submit periodical statements of raw material and the finished product (rectified spirits) and is entitled to verify their correctness.
