**CORAM : A.S. OKA &
P.N. DESHMUKH, JJ.**

DATE : 25th JANUARY, 2018

PC.

1 The learned counsel appearing for the respondents placed on record a letter dated 1st July, 2017 addressed to him by the officer in-charge of the Encroachment Department of the first respondent. It records two factual aspects. The first is that illegal construction subject matter of this Petition has been removed and even illegal construction made by the petitioner has been removed.

2 The learned counsel appearing for the petitioner states that after removal of the illegal construction, again a new illegal construction has been made.

3 The letter dated 1st July, 2017 is taken on record and marked 'X-1' for identification. In view of what is stated in the letter, it is not necessary to issue any further directions in this Petition. However, if the petitioner finds that again illegal construction has been made, it is always open for the petitioner to make appropriate representation. If such a representation is made, the appropriate officer of the Municipal Corporation is bound to take action in accordance with law. Subject to what is observed, the Petition is disposed of.
