...Defendants

Mr Jaydeep Shringare, for the Plaintiff/Applicant.

Mr Glenn D'Souza, i/b Raphael D'Souza, for the Defendants.

CORAM: G.S. PATEL, J

DATED: 24th July 2018

PC:-

1. The Notice of Motion seeks that the Testamentary Suit (for Letters of Administration with Will Annexed) which is of 2017 be expedited since the parties are senior citizens. I have Testamentary Suits pending from 1984 (reported by the Court Associate) and those parties are no younger than the ones here.

2. The Notice of Motion is dismissed. However, I will, with the consent of the parties, immediately take up the suit for framing issues and further directions as to trial separately. That will

sufficiently serve the purpose of accelerating the time to final hearing.
