DATED : 14th AUGUST, 2018

P.C.:

. Heard the learned counsels for the respective parties.

2. In pursuance of the directions given in the order dated 30th July, 2018, the respondent nos.2(a) and 2(b) has already given possession of the subject flat to the petitioner and this fact is noted in the order dated 07th August, 2018.

3. On 07th August, 2018, the petitioner made a grievance that the water connection to the subject flat is disconnect by the respondent

no.3/society and therefore, we directed Secretary of the respondent no.3/society to restore the water connection.

4. Mr. G.W. Mattos, learned AGP, on instructions, states that the water connection was never disconnected. However, the members of the respondent no.3/society are getting water on alternative day. The learned counsel for the petitioner also does not dispute that her client is getting water on alternative day.

5. Mr. Ramesh Shinde, learned counsel for respondent nos.2(a) and 2(b) on behalf of his clients makes a statement that they will not interfere with the possession of the petitioner in respect of the subject flat. Statement is accepted.

6. In the light of the above, the learned counsel for the petitioner fairly concedes that the grievance raised in the petition does not survive. Hence, the petition is disposed of.
