**CORAM: G.S. PATEL, J**  
**DATED: 28th March 2018**

**PC:-**

1. There is a Caveat in Testamentary Petition No. 1560 of 2017 which is for Letters of Administration. It will be renumbered as a Suit. At this stage, I will note that Mr Velar describes the opponent in his Petition as “the alleged widow”. I will take this under advisement because it has all kinds of implications, including about the deceased.

2. There is a separate Testamentary Petition No. 194 of 2018 filed by the “alleged widow” of the deceased, Shobha Sadguru Vast and it claims family pension. The Petitioner here has filed a Caveat in Testamentary Petition No. 1560 of 2017.

3. Liberty to Shobha Sadguru Vast to file an Additional Affidavit opposing Testamentary Petition No. 1560 of 2017. The Additional Affidavit is to be filed and served on or before 23rd April 2018.

4. In this view of the matter, Mr Logade seeks leave to withdraw Testamentary Petition No. 194 of 2018. Leave granted. Testamentary Petition No. 194 of 2018 is dismissed as withdrawn.

5. The entire court fee paid in Testamentary Petition No. 194 of 2018 will be refunded.

6. The Petitioner in Testamentary Petition No. 1560 of 2017 will amend the schedule to include the family pension claim that was the subject matter of Testamentary Petition No. 194 of 2018. Amendment to be carried out within two weeks from today without need of reverification.
