P.C.:-

1] Petitioners have approached this Court on the ground that, structures of the Petitioners are being demolished without alternative accommodation being provided to him.

2] Learned Counsel for Respondent No.3 submitted that all the Petitioners have been allotted alternative accommodation on regular

basis.

3] In that view of the matter, grievance of the Petitioners to that extent does not survive. However, learned Counsel for the Petitioners submitted that, Petitioners are also entitled to SRA allotment. The learned Counsel for the Petitioners therefore submitted that Petitioners' right to get accommodation in the SRA Project be reserved. He further submitted that on Petitioners being allotted premises in SRA Project, they would surrender the premises allotted to them by Respondent No.3.

4] In that view of the matter, we reserve the right of the Petitioners to apply to get accommodation in SRA Project. However, we record the undertaking given on behalf of the Petitioners that, in the event they are allotted any premises in SRA Project, they shall surrender the premises allotted to them by Respondent No.3.

5] Needless to state that if the Petitioners are entitled to any other right, they would be free to make an application, which application

would be considered in accordance with law.

6] Petition is disposed of accordingly.
