CORAM: G.S. PATEL, J
DATED: 10th January 2018

PC:-

1. Heard. The adoptive parents have a previously adopted daughter, Idhika, about four and half years. While her birth certificate is on record, her adoption order and health report were not with the papers. These are now tendered. These are taken on record and marked “XI” collectively for identification with today’s date. The compilation consists of a copy of the adoption order, the HIV test and a certificate dated 5th December 2017 from a children’s specialist and paediatrician, Dr Subhash N Rao. Idhika herself, a charming child with a winsome smile, is present in chambers.

2. The Petition is made absolute in view of the Judge's order signed separately.
