O R D E R

Heard Mr.S.Sugendrea, learned counsel for the petitioner and Mr.N.Ramesh, learned Standing Counsel appearing for the respondent.

2. The petitioner has come forward with the present writ petition seeking issuance of a writ of mandamus, to direct the respondents to consider the petitioner's representation dated 05.03.2018, to give a new sewage connection to the petitioner's residential place situated at No.48/1, Mutukadu Road, East Coast Road, Shakthi Nagar, Second Street, Thiruvannamiyur, Chennai.

3. The learned counsel for the petitioner submitted that the petitioner is the absolute owner of the said property and he made an application with necessary fee on 20.09.2017, to the fourth respondent to give a new sewage connection. Since there was a delay, he sent a representation to the respondents on 05.03.2018, but, so far there was no reply. Hence, the present writ petition.

4. The learned Standing Counsel on the basis of the counter affidavit filed by the fourth respondent submitted that for providing sewage connection to the premises of the petitioner from E.C.R side was not technically feasible. It has been suggested that there was another way of linking of sewage connection from the private sewage chamber located in the back side of the petitioner's house. It is further stated that the fourth respondent is ready to consider the grievance of the petitioner and take appropriate action.

5. In the light of the above submissions made by the learned counsels on either side and the grievance expressed by the petitioner, this Court, without going into the merits of the case, directs the fourth respondent to consider and pass orders on the representation of the petitioner dated 05.03.2018, on merits and in accordance with law, within a period of eight weeks from the date of receipt of a copy of this order, after affording an opportunity of personal hearing to all the necessary parties.
