O R D E R

Mr.S.K.Rameshwar, learned standing counsel takes notice for the first respondent and Mr.M.Maharaja, learned Special Government Pleader takes notice for the second respondent. By consent of the parties, the main writ petition itself is taken up for final disposal at the admission stage itself.

2. The petitioner seeks for a mandamus directing the first respondent to provide electricity connection for the premises located at S.F.No.165, Site No.72, Thiruvankata Nagar Third Street, Tiruppur - 641 606, Tiruppur District, wherein the petitioner resides.

3. The grievance of the petitioner is that the first respondent is not providing the electricity connection, based on the objections filed by the second respondent.

4. Mr.M.Maharaja, learned Special Government Pleader appearing for the second respondent, based on instructions, submitted that already an execution proceedings to evict the petitioner and other tenants have been filed and the same is pending against the petitioner and therefore, the present relief need not be granted to the petitioner.

5. On the other hand, the learned counsel for the petitioner submitted that so long as the petitioner is residing in the property, he is entitled to have the basic amenity viz., the electricity connection and therefore, the petitioner is agreeable, if the electricity connection is given even in the name of the second respondent.

6. Considering the above stated facts and circumstances and the submissions made by the learned counsel appearing for the respective parties, this Court is of the view that there will not be no impediment for the first respondent or the second respondent for providing the electricity supply to the petition mentioned premises, pending eviction proceedings, if the service connection is given in the name of the temple viz., Arulmighu Vishweswara Swamy Temple, Nallur, Tiruppur District. Needless to say that the order passed in this writ petition cannot be taken advantage by the petitioner in any manner in the other proceedings pending against him filed by the second respondent. Thus, this writ petition is disposed of, only with a direction to the first respondent to provide the electricity connection for the petition mentioned premises in the name of the said temple, after collecting necessary charges from the petitioner. Such exercise shall be done by the first respondent within a period of two weeks from the date of receipt of a copy of this order. No costs.
