5 The learned counsel appearing on behalf of the petitioner contended that there is a delay in considering the representation. However, the points raised in this regard has been rebutted by the learned Government Advocate [Crl.Side] appearing on behalf of the respondents. In this regard, the Under Secretary to Government filed a memo, stating that the representation was submitted on behalf of the detenu on 25.01.2018 and the same was received on 29.01.2018. The authorities competent called for the remarks on 29.01.2018 and

the said remarks were received on 08.02.2018. Accordingly, the files were submitted on 12.02.2018. The Under Secretary and the Deputy Secretary to Government dealt with the files on the same day on 12.02.2018 itself. Then the file was placed before the Hon'ble Minister for approval and the file was approved by Hon'ble Minister on 09.03.2018. Thus, an order of rejection was prepared on 12.03.2018 and the same was sent to the detenu on 13.03.2018.

6 This Court is of an opinion that in between the period of consideration, there were certain holidays, which also has been stated by the Under Secretary to Government. We are of the considered opinion the detenu has involved in many such cases, which are all of very serious in nature and affecting the public peace and tranquility. On a perusal of the list of cases, in which the detenu is wanted all over the country, we are of the opinion that considering the case of the petitioner, will certainly cause prejudice to the public order and a great concern for the State and also for the Nation. After implementation of the demonetization in our country, people are mostly using ATM Cards and Credit cards and cashless transactions are in improved stage. This being the prevailing situation in the society, we are of the opinion that such crimes committed by breaking open the ATM in the presence of the public is certainly affect the public order and, the State has to take stringent action against such offences. Periodical monitoring of these kinds of offences and protection to ATM are also certainly required. Police patrols should also be intensified in such offence prone areas where the ATM machines are installed.

7 Apart from the ground of delay, the petitioner is unable to raise any other legally acceptable ground, so as to consider the case of the petitioner for release. We have carefully analysed the factual circumstances, nature of the allegations against the detenu and the number of cases in which the detenu is alleged to have been involved and therefore, we have no hesitation in coming to the conclusion that it is not a fit case to release the detenu by invoking the provisions under Article 226 of Constitution of India. Thus, the Habeas Corpus petition is devoid of merits and stands dismissed.
