ORDER

(Order of the court was made by HULUVADI G.RAMESH,J.)

Heard the learned counsel appearing for the parties.

2. The writ petition has been filed challenging the orders of dismissal passed by the Central Administrative Tribunal in the Miscellaneous Application filed by the petitioners seeking to stay the order passed by the authority reverting them from the post of Assistant Accounts Officer (adhoc) to the post of Senior Accountant and the consequential proposal for recovery of pay and allowances already paid to the petitioners.

3. It appears that the Central Administrative Tribunal dismissed the interim applications on the objections from the other side and also having held that it is premature to seek for interim relief.

4. In the circumstances of the case, we direct that the main matter be listed before the Tribunal during the first week of every month so that the Division Bench that would be constituting would take the matter on priority to avoid any embarrassment to the parties, who had suffered a reversion, because of non-functioning of the Bench of the Tribunal. However, so far as the recovery is concerned, it shall be deferred till the disposal of the main Original Application filed before the Central Administrative Tribunal. The writ petition is disposed of accordingly. No costs. The connected miscellaneous petition is closed.
