COMMON ORDER

Originally both the petitioners have filed an application before the Tamil Nadu Administrative Tribunal, Chennai and subsequently, the same has been transferred and renumbered as writ petition before this Court.

2. Both the petitioners were appointed as Laboratory Attender with the third respondent in the year 1995. It is the further case of the petitioners that though they rendered seven years of unblemished service, their services in the said post was not regularised. In this regard, petitioners have also made a representation on 20.02.2002 to the second respondent seeking to regularise their services. Since the representations submitted by the petitioners were not considered by the second respondent, the petitioners have filed the present writ petition.

3. At the time of hearing these writ petitions, learned Additional Government Pleader appearing for the respondents would submit that the both the petitioners have raised the industrial dispute before the Labour Court in I.D.No.72 of 2015 and the same is pending.

4. In view of the above, since the petitioners have already approached the appropriate forum by redressing their grievance, there cannot be a parallel proceedings with regard to the very same issue and hence, these writ petitions are dismissed. No costs.
