Prayer in W.P.Nos.33821 of 2014 & 19951 to 20717/17 : Writ Petition filed under Article 226 of Constitution of India for issuance of a Writ of Mandamus directing the respondents 1 to 3 to close down the restaurants of the respondents 4 to 19 till the provisions of the Multi-storied and Public Buildings Rule, 1974, Madras City Police Act, 1888 and the Tamilnadu Fire Services Rule, 1990 in the matter of parking space, open space, lung space and fire safety are strictly complied with by them.

C O M M O N O R D E R

[Common Order of the Court was made by S.VAIDYANATHAN, J.]

as this Hon'ble Court may deem fit and proper in the facts and circumstances of the case."

4. The Learned Additional Advocate General appearing for the Respondents 1 and 2 / Corporation submitted that a notice has been issued only to freshers and not to persons, who have valid trade licence and ensured that no action will be taken against persons, who have valid trade licence.

5. Admittedly, the above said provisions cannot be invoked. A reading of the above mentioned Notice dated 23.07.2018 would make it very clear that no Hotel shall be permitted to run without obtaining 'No Objection Certificate / Licence' from the Commissioner for the first time under the relevant provisions of Chennai City Police Act, 1888. Fresh establishments will have to obtain 'No Objection Certificate' / Trade Licence and other certificates that are required by the Corporation. If Trade Licence had already been obtained for eating house, boarding house, lodging house and the same is already in existence, no notice like the present one dated 23.07.2018 can be issued.

6. In view of the fact that the issuance of Notice dated 23.07.2018 applies to only new establishments, the said establishments will have to adhere to the provisions of Law in its Letter and Spirit. This Court also makes it very clear that if a Eating House, Boarding House, Lodging House etc., [which has a valid trade licence] permits parking other than the place demarcated, then, it is open to the police authorities to tow the vehicles. The Hotels are directed to display Sign Boards outside the Hotels indicating "No parking" and "Vehicles shall be towed by the Police in case of any violation."

7. Considering the fact that all the Hotels / Restaurants in the case on hand are said to have complied with the mandatory provisions of Chennai City Police Act, 1888, no further orders are required in the present Writ Petitions. In case of violation of any of the provisions, the same would attract closure of the Restaurants / Hotels / Eating House / Boarding House etc., as the case may be, of course, after adhering to the due procedure. It is needless to mention that if there is any violation, after issuance of notice and on intimation being given by the 2nd Respondent / the Commissioner, Corporation of Chennai, Rippon Buildings, Chennai to the Chairman cum Managing Director of Tamilnadu Generation and Distribution Corporation Limited, Chennai and the Chairman and Managing Director of Tamilnadu Water Supply and Sewerage Board, Chennai, who inturn shall inform their respective Area Officers concerned to disconnect the power and water supply forthwith. It is abundantly made clear that only after due compliance, power supply and water supply shall be restored. Moreover, wherever, 'wallet parking' is provided, the same need not be disturbed / displaced.

With the above said observations and directions, the Writ Petitions are disposed of. Consequently connected miscellaneous petitions are closed. No costs.
