Heard the learned counsel for the petitioner.

2. Since the issue involved in this case is squarely covered by an order already passed in WP(MD)No.20020 of 2017 dated 29.11.2017, wherein an elaborate order was passed by issuing certain general directions to the authorities concerned in respect of sand mining / quarrying activities in the State of Tamil Nadu. The said order is still in force and therefore, the petitioner cannot seek any further direction as sought for in

this writ petition, as it is for the authorities to comply with the said order by following the general directions issued therein.

3. Therefore, this Court is not inclined to issue any mandamus as sought for in this writ petition. Accordingly, this writ petition is dismissed. No costs.
