Today, when the matter is taken up for consideration, there is no representation for the appellant to proceed the case. This shows the non-willingness attitude of the appellant in the case. Under these circumstances, considering the pendency of the appeal for a long period of 17 years, this Court has left with no other option except to dismiss the appeal.

In the result, these second appeal is dismissed for non-prosecution. No costs. Consequently, connected miscellaneous petition is closed.
