ORDER

The petitioner's grievance is that while she was working as Headmistress in Aided Elementary School, Athiyur, she was deployed in view of the depleted strength of students in the said school, but no order with regard to her permanent absorption having been passed, she has come to this court seeking a direction for permanent absorption. This Court while issuing notice passed an interim order not to disturb the petitioner from the present place of working till the permanent absorption.

2. Counter affidavit has been filed by the respondents indicating that the petitioner is entitled to permanent absorption.

3. During the course of hearing, the learned counsel for the petitioner submits in spite of the aforesaid stand of the respondents the permanent absorption order is yet to be passed and accordingly direction be given to the respondents to pass the same within a stipulated time.

4. The learned counsel for the respondents submits that they have submitted the connected file to the first respondent Government and the Government order is expected to come out within two weeks indicating petitioner's permanent absorption and there is no dispute that the petitioner is entitled to permanent absorption.

5. Considering the aforesaid facts and submissions made, this Court disposes of this writ petition with the direction to the respondents to pass necessary orders for permanent absorption as early as possible preferably within a period of two weeks as submitted by the learned Government Advocate. However till then, the petitioner shall not be disturbed from his present place of posting.

6. With the aforesaid order, the writ petition stands disposed of. Consequently, connected miscellaneous petitions are closed. However, there shall be no order as to costs.
