C O M M O N O R D E R

Identical facts and law being involved in all these three writ petitions, all are heard together and disposed of by this common order.

2.It appears that the petitioners who are allegedly working under the respondent No.3 as contract labourers, have sought for regularisation of their services as some of their colleagues, who are similarly situated with them, have already been regularised on the strength of an order of the Inspector of Labourer, but, their cases have not been considered, even though they have made representation to the respondent No.3 in this regard. Hence, they have filed these writ petitions, seeking writ of mandamus, directing the respondent No.3 to consider the representation of the petitioners and regularise their services.

4.However, during the course of hearing, it is submitted by the learned counsel for the petitioners that the petitioners only grievance is, no order has been passed on their representation, submitted to the respondent No.3, hence he may be directed to dispose of the same taking note of the grievance of the petitioner.

5.The learned counsel for the respondents has no objection for the same.

6.Considering the aforesaid facts and submissions made, these writ petitions stand disposed of, with a direction to the respondent No.3 that if any representation made by the petitioners for their regularisation is pending with him, he shall consider and take a decision on such representation, in accordance with law within a period of two months from the date of receipt of a copy of this order.

7.It is needless to state that while considering such representation the petitioners' grievances that the similarly placed persons have been regularized but their cases have been ignored, shall be addressed in accordance with law.
