The petitioner has filed this petition challenging the orders of transfer of the petitioner from Coimbatore to Chennai.

2. At the time of admitting the writ petition, this court had interim stay of the impugned order and subsequently on 15.06.2009 itself the same was made absolute. A perusal of impugned order would show that the order of transfer was made on administrative reason which this court does not want to interfere. However, after lapse of 11 years, I do not find

anything survives for further adjudication in this matter.
Accordingly, the writ petition is dismissed. No costs.
