By consent of the parties, the main writ petition itself is taken up for final disposal at the admission stage itself.

2. The petitioner seeks for a mandamus directing the first respondent to provide Electricity Service connection to the petitioner's house in S.F.No.165, Site No.8, Thiruvengada Nagar, Nallur, Tiruppur□ 641 606, Tiruppur district.

3. The grievance of the petitioner is that the first respondent is not providing the electricity connection, based on the objections filed by the second respondent. It is also the grievance that the application of the petitioner was not even received by the respondent for consideration.

4. Mr.M.Maharaja, learned Special Government Pleader appearing for the second respondent, based on instructions, submitted that already an execution proceedings to evict the petitioner and other tenants have been filed and the same is pending against the petitioner and therefore, the present relief cannot be granted to the petitioner.

5. On the other hand, the learned counsel for the petitioner submitted that so long as the petitioner is residing in the property, he is entitled to have the basic amenity viz., the electricity connection and therefore, the petitioner prays the present relief. It is also agreeable to the petitioner that the electricity connection is given even in the name of the second respondent, pending disposal of civil proceedings by the Civil Court.

6. Heard both sides. Considering the above stated facts and circumstances and the submissions made by the learned counsel appearing for the respective parties, this Court is of the view that there will be no impediment for the first respondent or the second respondent for providing the electricity supply to the petition mentioned premises, pending eviction proceedings, if the service connection is given in the name of the temple viz., Arulmighu Vishweswara Swamy Temple, Nallur, Tiruppur District. Thus, this writ petition is disposed of, only with a direction to the first respondent to provide the electricity connection for the petition mentioned premises in the name of the said temple, after collecting necessary charges from the petitioner. If the petitioner commits any default, it is open to the first respondent to proceed in accordance with law. Such exercise shall
