

RMDJ

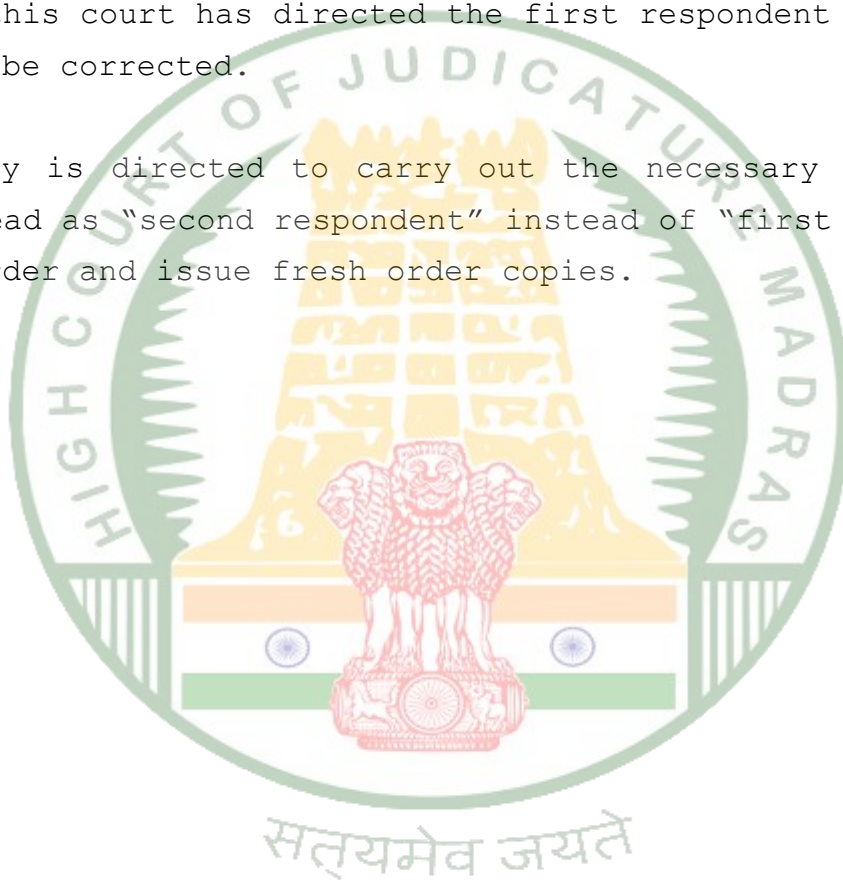

This petition has been posted today under the caption "for being mentioned."

Learned counsel for the petitioner has submitted that instead of directing the second respondent, in para 5 of the final order dated 05.10.2018 this court has directed the first respondent and hence the same has to be corrected.

Registry is directed to carry out the necessary correction in para 5 to read as "second respondent" instead of "first respondent" in the final order and issue fresh order copies.
