## O R D E R

This writ petition has been filed seeking a mandamus, directing the respondents 1 and 2 to re-determine the amount of compensation in respect of the lands of the petitioner comprised in Survey No.24/4A, situated at Chinnamudalaipatty village, Namakkal Taluk and District, which were acquired for the purpose of Salem-Karur Broad Gauge Railway Project, in the light of the provisions in Section 28-A of The Land Acquisition Act, 1894, by considering his application dated 11.07.2018.

2. The case of the petitioner is that, he was the absolute owner of the lands in question and the same were acquired by the State, for the Railway Project under the provisions of the Land Acquisition Act, 1894 [in short "the Act"]. On 13.06.2000, an award was passed wherein the second respondent fixed compensation at Rs.1,54,375/-. As the petitioner did not appear and produce legal heir certificate during award enquiry, the second respondent made a reference under Sections 30 & 31 of the Act to the Subordinate Court, Namakkal, and the compensation amount was deposited in the credit of the reference court. In the mean time, the other land owners who lost their land to the State made their objections for enhanced compensation and the second respondent, in turn, made such references under Section 18 of the Act, to the learned Subordinate Judge, Namakkal. On such reference, the learned Subordinate Judge, after a full fledged enquiry, has enhanced the compensation at Rs.50/- per square feet. Thereafter, on the getting the copy of the judgement, the petitioner made his representation to the first and second respondents to extend the benefit arising out of the order of the civil court to the petitioner. The grievance of the petitioner is that his representation so far not considered by the first and second respondents. Hence, this writ petition.

3. The learned counsel for the petitioner submitted that the reference court, by judgement dated 11.04.2018, enhanced the compensation amount and on getting the certified copy of the judgement, the petitioner made a representation within the period of limitation seeking to extend the benefit under Section 28-A of the Act on 11.07.2018. The learned counsel for the petitioner further submitted that though the application for enhanced compensation was made in time, the same has not yet been considered by the first and second respondents.

4. Considering the fact that the application made by the petitioner to the first and second respondents under Section 28-A of the Act seeking to extend the benefit arising out of the judgement of the reference court is pending for consideration since 11.07.2018, in those circumstances, the

first respondent respondent is directed to consider the same and pass appropriate orders on merits and in accordance with law after giving an opportunity of hearing to the petitioner within a period of twelve weeks from the date of receipt of a copy of this order. This writ petition is disposed of accordingly. No costs.
