2. Today (05.06.2018), when the matter is called, it is brought to my notice that in connection with the dispute the fourth respondent herein had already initiated peace talks and the petitioner as well as the private respondents herein were also participated in the same. When the fourth respondent had seized of the matter and has initiated peace talks, it would not be appropriate for this Court to interfere with the proceedings but rather to permit the fourth respondent to arrive at amicable settlement to the dispute. Since the festival is scheduled to function on 07.06.2018, it would be appropriate that the peace meeting is to be completed on or before 06.06.2018.

3. In the result, there shall be a direction to the fourth respondent to complete the peace meeting on or before 06.06.2018 and during the course of meeting, the fourth respondent shall

ensure that due opportunity is being given to the petitioner as well as to the respondents 5 to 18 herein and any other persons who may be interested in the subject matter.
