ORDER

This writ petition has been filed seeking direction to the third respondent to release the Lorry bearing Registration No.TN-60-L-8022 seized by the fourth respondent on 26.02.2018.

2.According to the petitioner, even though he plied the said vehicle with all relevant documents, the fourth respondent seized the same on 26.02.2018 and it is specifically submitted that the petitioner has no bad antecedents.

3.On the other hand, it is submitted by the learned Additional Government Pleader that the vehicle was seized as it was plying without valid papers including registration certificate books and transport permits for transporting sand.

4. In any event, as the vehicle is under the custody of the authorities, having been seized on 26.02.2018 and considering the fact that if the same is allowed to be kept idle by exposing the same to sun and rain, it would certainly diminish its value. Therefore, pending proceedings before the respondents, this Court is of the view that the vehicle may be released by imposing conditions on the petitioner for release of the same.

5. Accordingly, the respondents are directed to release the vehicle in question to the petitioner within a period of 7 days subject to the following conditions:

"(i) The petitioner shall produce necessary documents before the respondents to establish the ownership of the vehicle in question;

(ii) The petitioner shall deposit a sum of Rs.50,000/- (Rupees Fifty Thousand only), before the third respondent;

(iii) The petitioner shall give an undertaking that he will not use the vehicle for any illegal activities in future and shall produce the same as and when required by the respondents;

(iv) On doing so, the vehicle in question shall be returned to the petitioner;

(v) The petitioner shall not alienate the vehicle in question till the disposal of the proceedings before the authority concerned; and

(vi) The petitioner is also directed to participate in the enquiry to be conducted by the respondents."

6. With the above direction, the writ petition is disposed of. No costs.
