ORDER

[Order of the Court was made by **T.S.SIVAGNANAM, J.**]

Heard Mr.S.Gopalamanikandan, learned counsel appearing for the petitioner as well as Mr.D.Muruganandam, learned Additional Government Pleader, appearing for the respondents.

2.The petitioner has filed this writ petition praying to direct the officials of the Highways Department to prevent the persons from encroaching the road margin of Manapparai-Puthanatham Road, by way of considering her representation, dated 01.09.2017.

3. All the three respondents have been shown as officials of the National Highways Authority of India.

4. The learned Additional Government Pleader pointed out that it is a State Highway and not a National Highway and it has been wrongly described. However, the learned Additional Government Pleader requested for a pass over of the matter, so that he can get oral instructions from the Highways Department and the information received by the learned Additional Government Pleader is that the land in question, where the petitioner claims that there is an encroachment, has been inspected and the authorities found that there is no encroachment and a reply to the said effect has been sent to the petitioner, on 03.01.2018.

5. In the light of the same, the writ petition stands disposed of, giving liberty to the petitioner to work out her remedies as against the reply given by the Highways Department. No costs.
