O R D E R

It appears that the petitioner has already approached this Court with the similar prayer in W.P(MD).No.2271 of 2017. Notice has also been ordered by this Court in the said writ petition. However, the present writ petition has been filed substantially having the same prayer. When this was pointed out to the counsel, the learned counsel would submit that in this writ petition, there is also another prayer that is being sought namely, to grant of periodically review benefit, before the petitioner being considered for promotion as Checking Inspector under 25% quota. If that being so, it is always open to the petitioner to seek appropriate amendment in the aforesaid writ petition and certainly, it is not open to the petitioner to file the second writ petition on the same cause of action. Therefore, giving liberty to the petitioner to seek appropriate amendment in the above said writ petition, the

present Writ Petition is dismissed. No costs. Consequently, connected Miscellaneous Petitions are also dismissed.
