### **O R D E R**

The petitioner seeks a writ of mandamus, directing the respondents to revoke the order of suspension, dated 03.09.2018.

2.From the records, it is seen that the petitioner was suspended pending enquiry into the grave charges with regard to criminal case filed against him by the District Child Protection Officer. The petitioner has not challenged the order of suspension, but he seeks a writ of mandamus directing the respondents to revoke the order of suspension.

3.I am of the considered opinion that such a mandamus cannot be issued that too directing the employer to revoke the order

of suspension of an employee, where it is stated that an enquiry is contemplated into grave charges. Hence, this writ petition fails and it is dismissed, leaving it open to the writ petitioner to challenge the order of suspension, if he is so advised. No costs.
