ORDER

This Writ Petition has been filed for a direction to the respondent police for surveying the petitioner's land by the Tahsildar and to fix the boundary stones.

2.The case of the petitioner is that he is the owner of the property in Survey No.167/20, for the said property, he had applied for a survey of land on 29.08.2018 and also paid the survey fee to the concerned official. The payment is evidenced by the issuance of the Challan on 29.08.2018. It is further case of the petitioner is that in the course of survey, the neighbouring land owners should not cause any hindrance, since only on demarcation of the property, the correct boundaries of the respective owners can be identified.

3.The learned counsel for the petitioner would submit that the title to the property is borne out by the sale deed, dated 27.06.2018. However, the boundaries will have to be perfectly demarcated in order to avoid any confusion in the future. For the said purpose, the petitioner wants a survey to be conducted by the Tahsildar and to fix the boundary stones. The petitioner has already given a representation seeking for police protection on 02.09.2018.

4.Taking into consideration of the facts and circumstances of the case, the third respondent is directed to provide police protection during survey conducted by the first and second respondents in the petitioner's land in order to fix the boundary stones.

5.The Writ Petition is disposed of with the above directions. No costs.
