ORDER

The nature of the grievance that has been expressed in this petition is purely civil in nature.

2.The petitioner has to work out his remedy before the appropriate civil forum and if the petitioner has any grievance to the effect that the third respondent is committing any criminal offence, for that purpose only the petitioner can approach the respondent police. Insofar as the right and title over the property is concerned, the police cannot decide the same and the petitioner has to get the remedy only before the Civil Court.

4. Accordingly, this Criminal Original Petition is disposed of with the above direction.
