For Respondent : No appearance

O R D E R

The relief sought for in this writ petition is for a direction to direct the respondent to register the six months I.T.I course of Advanced Module in Electrical (Name of the Module- Operation and Maintenance of Equipments Used in HT & LT Substation and cable Joining in the Sector of Electrical) Studied at Government of I.T.I, Pettai, Tirunelveli.

2.The learned counsel appearing on behalf of the writ petitioner states that the writ petitioner had undergone six months I.T.I course of Advanced Module in Electrical in Government of I.T.I, Pettai, Tirunelveli and the same is to be registered in the respondent office for the purpose of preference for appointment as per their recommendation. However, the respondent has not considered the case of the writ petitioner for

registration of such qualification.

3.This Court is of an opinion that all recruitment in the Tamil Nadu Electricity Board are now made only under the open competitive process and the requisite qualifications are to be invited in the recruitment notification itself. The preference if any, in accordance with the rules is also to be provided to the writ petitioner based on his qualification. Thus, it is made clear that when the process of recruitment is undertaken by the respondent, all the eligible persons including the writ petitioner are to be considered, if necessary, applications are to be made in this regard.

4.With these above observations, the writ petition stands disposed of. However, there shall be no order as to costs.
