4.The petitioner has not filed any rejoinder controverting the aforesaid allegations made by the authority with respect to the deviations committed by the petitioner.

5.We have heard the learned counsel on either side and perused the materials available on record.

6.The impugned communication merely calls upon the petitioner to remove the unauthorised constructions.

7.Though in the affidavit filed in support of the petition, the petitioner has contended that the building was constructed after taking permission from the local planning authority, the deviations highlighted in the counter affidavit has not really been explained by the writ petitioner.

8.In any event, there is a statutory remedy available to the petitioner under Section 80(A) of the Tamil Nadu Town and Country Planning Act, 1971. The petitioner without resorting to the specific remedy available under the Act, has rushed to this Court and obtained an interim order.

9.The Hon'ble Supreme Court in **Dipak Kumar Mukherjee Vs. Kolkatta Municipal Corporation (2013 (5) SCC 336)** observed that illegal and unauthorised construction of buildings and other structures not only violate the Municipal Laws and the concept of planned development of the particular area but also affect various fundamental and constitutional rights of other persons.

10.The building in question is used by the public. It is a commercial building. Since the public are using the building, it must have a structurally sound building. There is nothing on record to see that the building was constructed in adherence to the safety standards. In any case, the local authority was correct in taking enforcement action. We are therefore of the view that since the building is structurally sound made out in this writ petition. We therefore dismiss the writ petition. No costs. Consequently, connected

miscellaneous petitions are also dismissed.
