Similarly, the second petitioner is the absolute owner and possessor of land to an extent of Ac.6.50 cents situated in Survey No.440 of the same Village. The said properties were bequeathed by one Appalanaidu under unregistered Will, dated 01.11.1976 to the first petitioner. The second petitioner has succeeded to the properties from his ancestors. The rights of the petitioners were recognized by respondents 3 and 4 and pattadar passbooks and title deeds were issued in their favour and their names were also updated in pattadar pass books, 1-B (ROR) and Adangal pahanies being maintained by the respondents. When the petitioners down loaded a copy, they came to know that some survey numbers were not digitally signed and the petitioners submitted a representation on 16.08.2017 to update the survey numbers and digitalization of signatures. Though the fourth respondent updated the revenue records, has not signed registered digitally, which resulted in filing the present Writ Petition.

petitioners need digitally signed revenue records for the purpose of said suit. In those circumstances, he filed the present Writ Petition.

4. As stated above, in spite of giving opportunity to the fourth respondent, the fourth respondent had not given instructions. In the circumstances, the Writ Petition is disposed of directing the fourth respondent to verify the records and digitally sign the records in order to enable the petitioners to take further steps in accordance with law. If the fourth respondent has any objection for digital signatures, he shall inform the same to the petitioners by writing giving reasons in support of the same, within a period of one week from the date of receipt of a copy of this order.
