

THE HONOURABLE SRI JUSTICE A.V.SESHA SAI

WRIT PETITION No.2246 of 2018

When the matter is taken up, written instructions, dated 29.01.2018, furnished by the Sub Inspector of Police & Station House Officer, Sompeta Police Station, Srikakulam District, are placed on record by the learned Government Pleader. The said written instructions read as under:

"It is submitted that the petitioners may be having civil disputes with the third parties in respect of the land in Sy.No.215/4 to an extent of Act.0.025 ½ cents. However, the allegation of the petitioner that at the instance of the third parties, the third respondent is calling the petitioners to the police station and harassing them to settle the issue with the third parties, is absolutely false and baseless. It is submitted that no person has approached or made any complaint/representation before the third respondent police station against the petitioners herein. Therefore, there was no question of taking any action by the third respondent herein.

It is submitted that the petitioners filed the present writ petition on an apprehension that the third parties may approach the third respondent in the alleged civil dispute and the third respondent police authority may take action against the petitioners herein. The third respondent has no knowledge of any civil disputes of the petitioners with the third parties, nor called the petitioners either on 23.01.2018 or on any other date to the police station. Therefore, the allegation of the petitioners that the third respondent called the petitioners to the police station on 23.01.2018 along with property documents, otherwise to file false case against the petitioners, is false, baseless and concocted only for

the sake of filing this writ petition. It is reiterated the third respondent has never interfered with the civil disputes of the petitioners with the third parties nor threatened the petitioners at any point of time. All other allegations of the petitioners against the respondent police authorities are not correct and hereby specifically denied.

In view of the facts stated above, the writ petition is not maintainable and liable to be dismissed”.

Eventually, a request is made by the learned counsel for the petitioner to place the said written instructions on record and dispose of the Writ Petition.

Accordingly, the Writ Petition is disposed of, by placing on record the above written instructions.

As a sequel thereto, miscellaneous petitions, if any, shall stand closed. There shall be no order as to costs.
