

HON'BLE SRI JUSTICE A.RAJASHEKER REDDY

CIVIL REVISION PETITION Nos.3587 & 3673 OF 2018

COMMON ORDER :

Since the petitioner and subject matter of both these Civil Revision Petitions is one and the same, both are heard together and disposed of by this common order.

These revision petitions are filed against the order dated 27.04.2018 passed by the Senior Civil Judge, Narsapuram in EA.No.33/2018 in EP.No.74/2015 in OS.No.686/2014 and EA.No.32/2018 in EP.No.73/2018 in OS.No.685/2014, wherein and whereby the application filed by the petitioner under Order 16 Rule 1 to 7 and Section 151 CPC to issue summons to the Tahasildar, Palakol, to produce the records relating to the ration card and voter identity card of the petitioner was dismissed.

Learned counsel for the petitioner submits that the respondent/Decree Holder has wrongly mentioned the name of the petitioner and his father, as such production of these documents are very much necessary in the EP, but, the Court below without considering the said aspect dismissed the application.

In this case it is to be seen that the trial Court dismissed the EAs observing that already household card and Voter identity card of the petitioner/J.Dr. were marked as Exs.B1 and B2; that in the cross-examination of petitioner/J.Dr. also there is no suggestion that these documents are fabricated and forged; and that since the

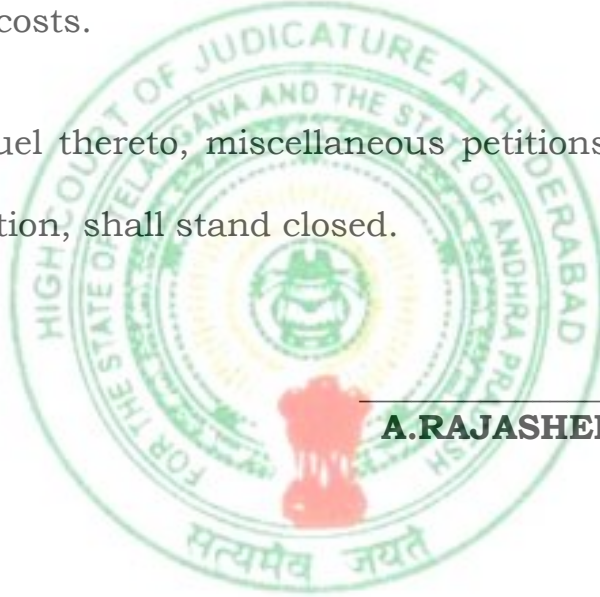

authenticity of these documents is not disputed by the D.Hr., summoning the Tahasildar again to prove these documents is not necessary. It is also observed by the Court below that without there being specific purpose, summons to the Tahasildar for producing the records cannot be issued.

Having regard to the aforesaid facts and circumstances, I do not see any reason to entertain these revisions.

Accordingly, both the Civil Revision Petitions are dismissed.
No order as to costs.

As a sequel thereto, miscellaneous petitions, if any, pending in the writ petition, shall stand closed.
