2) It is stated that the petitioners entered into agreements of sale and they intend to get the sale deed

registered in respect of the plot of land, referred to in the sale agreements. As such they approached the respondents along with agreements of sale and enquired about the stamp duty and registration fee etc. At that time they were informed that the documents will not be received by the office of the 2nd respondent. Challenging the same, the present Writ Petition came to be filed.

At this stage, the learned counsel for the petitioners would submit that in similar circumstances in W.P.No.6343 of 2018, in respect of the land situated in the same survey number, this Court directed the respondents to receive the documents and then process it in accordance with the provisions of the Registration Act.

4) Having regard to the above, the Writ Petition is disposed of directing the 2nd respondent to receive the documents presented by the petitioners if the same are in accordance with the provisions of Indian Stamp Act and the Registration Act and then proceed in accordance with law. If the 2nd

respondent is not inclined to register the said document, for any reason, he shall make an endorsement to that effect and pass an order in accordance with Section 71 of the Registration Act.

5) There shall be no order as to costs. As a sequel to disposal of the writ petition, WP.M.Ps if any pending shall stand closed.
