

THE HON'BLE SRI JUSTICE A.RAMALINGESWARA RAO

WRIT PETITION No.44449 OF 2017

ORDER:

The petitioners state that they are absolute owners and possessors of various extents of land in Survey No.103 of Shamshabad Village and Mandal, Ranga Reddy District. In all the revenue records, the names of petitioners are shown as pattadars and possessors including Form 1-B Register. It is stated that the then combined Government initiated land acquisition proceedings for construction of International Air Port in Shamshabad Village in the year 2000 and a part of land covered by aforesaid survey number was also proposed for acquisition. It is stated that some of the petitioners were received notices vide proceedings, dated 03.08.2000. In the said proceedings, it was observed that lands sought to be acquired were mentioned as patta lands. While things stood thus, when some of the petitioners approached the Sub-Registrar for purpose of knowing the market value, the Sub-Registrar stated that the land situated in Survey No.103 is a Government land. Aggrieved by the action of the Sub-Registrar, the present Writ Petition is filed.

2. This Court in **Vinjamuri Rajagopala Chary v State of A.P.**¹ considered the said issue and held as follows:

“35.1 Further, as noticed earlier the State Government is empowered either suo motu or on application to consider the grievances against inclusion of any property in the prohibitory list under Section 22-A of Registration Act and is also empowered to de-notify either in full or in part the notification issued under sub-section (2). In our opinion, the redressal mechanism is available only with respect to notifications published relating to the properties falling under clause (e) of Section 22-A. Hence, any grievance of the parties with reference to the properties covered by clauses (a) to (d) will have to be questioned by the aggrieved

parties only by appropriate proceedings before a competent Court and the adjudication by such Court would be final. Further, so far as notified properties falling under clause (e) are concerned, the redressal mechanism under sub-section (4) of Section 22-A would be able to effectively address the grievance provided the mechanism thereunder is effective, expeditious, fair, and judicious. Thus, in order to make an effective redressal mechanism, we deem it appropriate to direct the respective Governments of both the States to constitute a Committee or establish a Forum within time frame, may be comprising of Principal Secretary of Revenue, Director of Survey and Land Records and a retired Judicial Officer of the rank of a District Judge which shall meet periodically to consider the grievances of the persons affected by the notifications. The Committee shall be empowered to examine relevant records and then pass a reasoned order either accepting or rejecting the grievance by either confirming/deleting/modifying any such property from the notified list of properties. In our view, such orders passed by the Committee shall be binding on the State as well as on the aggrieved person and in the event of any of them being aggrieved thereby, they shall have to approach a competent Court of Law for redressal of their grievance.”

3. In view of the same, the petitioners are given liberty to approach the said grievance redressal committee for appropriate relief by making proper application. At this stage, learned counsel for the petitioners submitted that the grievance redressal committee was not constituted and there is no one to redress the grievance of the petitioners. If no grievance redressal committee is constituted as directed by this Court, the petitioners are given liberty to submit proper representation to the second respondent within a period of two weeks from the date of receipt of a copy of this order and the second respondent is directed to pass appropriate orders on the grievance expressed by the petitioners, within a period of four weeks thereafter.

4. The Writ Petition is, accordingly, disposed of. Miscellaneous petitions, if any, pending in this writ petition shall stand closed. There shall be no order as to costs.
