AMOL RATTAN SINGH, J. (ORAL)

CM No. 19496-CII-2018

As recorded in the order dated 11.09.2018, this application was filed seeking to place on record a copy of the deed in respect of the compromise arrived at between the parties herein, on the basis of which he sought disposal of the accompanying petition.

Notice having already been issued in the application on a prior date, it was seen on 11.09.2018 that in fact the copy of the compromise deed annexed with the application is undated and consequently, despite the respondent having been duly served of notice issued in the application, the matter had been adjourned till today to await his appearance, either in person or through counsel.

Today, despite the matter having been called out in the pre-lunch session on its turn and thereafter, again in the post-lunch session, none has

appeared for the respondent.

Obviously, the inference to be taken by this Court is that a compromise having been arrived at between the parties, the respondent is not interested in defending this petition.

That being so the application is allowed and the copy of the compromise deed is taken on record as Annexure P-2.

CR No. 3034 of 216 (O&M)

In view of the compromise stated to have been arrived at between the parties, this petition is disposed of in terms thereof, with the parties held bound to the terms of the compromise.
