Rekha Mittal, J. (Oral)

Notice to the respondent could not be issued as counsel for the petitioner did not file the process fee.

On 13.11.2017, notice of motion was issued only to consider grant of time to vacate the demised premises and find an alternative shop to run the business. Neither the petitioner filed the process fee for service of respondent nor there is any representation on his behalf. It appears that the petitioner is no longer interested to pursue his plea for grant of time to vacate the tenancy premises or the petitioner might have delivered possession of tenancy premises to the respondent/landlord.

Dismissed for non-prosecution.
