TEJINDER SINGH DHINDSA, J.(ORAL)

Petitioner seeks benefit of regular bail pending trial in case FIR No.167 dated 19.08.2017, under Sections 420, 467, 468, 471 IPC and Sections 66-C and 66-D of Information Technology Act, registered at Police Station Sector-26, Chandigarh.

FIR came to be registered on the complaint of Om Parkash son of Suraj Bhan.

Allegations in a nutshell are that the complainant had been duped of a total sum of Rs.4,19,000/- on the pretext of being sold a flat in Noida and such amount having been paid over different dates and such money having been utilized towards issuance of insurance policies.

Insofar as the present petitioner is concerned, prosecution version is that a total amount of Rs.1 lakh had been deposited in his account through the mode of NEFT.

Investigation is complete and the challan stands presented.

It stands uncontroverted that during the course of investigation, no recovery has been effected from the petitioner.

Petitioner was arrested on 22.08.2017.

Trial would take time to conclude.

Complainant Om Parkash has already been examined before the trial Court.

It is not the case made out on behalf of the U.T., Chandigarh that petitioner if granted benefit of bail would be in a position to hamper the course of free and fair trial.

Co-accused Rajvir Singh and Parveen Kumar Singh have been granted benefit of bail.

Without making any observations on merits, prayer is accepted.

Petition is allowed. Petitioner be enlarged on bail subject to satisfaction of the trial Court/Duty Magistrate concerned.

Disposed of.
