Appellant is in appeal against the award passed by the Motor Accident Claims Tribunal, Ambala, dated 22.03.1995.

At the outset, it may be noticed that the claimant filed an appeal before this court for enhancement of the compensation being FAO NO.1901 of 1996, decided on 19.02.2014. The compensation awarded by the learned Motor Accident Claims Tribunal, Ambala, was enhanced.

The only issue which remains to be decided in this case is whether the ill fated bus which met with an accident was insured or not?

The learned Motor Accident Claims Tribunal after examining the insurance cover note and copy of letter dated 06.09.1991, Ex.R3 on the file has found as a matter of fact that the insurance cover note does not cover the bus in question. Learned counsel for the appellant could not

establish that the ill fated bus was insured with the United India Insurance Company Limited.

In view thereof, there is no scope for interference in the award passed by the learned Motor Accident Claims Tribunal, Ambala.

The appeal is dismissed.
