..... Respondents

CORAM : HON'BLE MR.JUSTICE AJAY TEWARI

Present :- Mr. Rajesh Narang, Advocate
for the petitioner.

Ms. Amarjit Kaur Khurana, DAG, Punjab.

Mr. Harshit Jain, Advocate
for respondent No.2-complainant.

AJAY TEWARI, J. (Oral)

This is a second petition for grant of anticipatory bail to the petitioner under Section 438 Cr.P.C. in case FIR No.76, dated 18.05.2015 registered under Sections 420/409/120-B IPC at Police Station Civil Line Bathinda, District Bathinda.

At one stage interim bail was granted because a comprehensive agreement was entered into between the parties. It was admitted that most of the reciprocal responsibilities which were foisted on the parties by that compromise (P-10) have been discharged.

Today for the first time counsel for the complainant points out that there were one or two parts of the compromise which have till date

not fructified. As per them there are two or three properties which the husband of the petitioner has to convey to them and there is one property which the complainant has to convey in favour of the husband of the petitioner. It has also today been sought to be argued that actually some new facts came to light after the compromise which also have an effect on the case.

I had kept this case so that the brothers could settle this dispute. I am convinced that the brothers are never going to settle this dispute. By and large, as noticed above, most of the reciprocal responsibilities stand discharged.

In the circumstances, I do not deem it appropriate to deny the concession of anticipatory bail to the petitioner.

Petition stand allowed.

Since the main case has been decided, the pending criminal miscellaneous application, if any, also stands disposed of.
