KULDIP SINGH J. (ORAL)

Heard.

Petitioner who is accused in an FIR No. 49 dated 27.3.2017 under Section 452, 377, 506 and 379 of the Indian Penal Code registered at P.S. Lalru, District SAS Nagar, Annexure P-1. During the investigation his medical examination was conducted and blood samples were taken. However, the blood samples could not be sent to FSL but the same were returned with objections that it could not be deposited within the time. Now the police has moved an application dated 18.5.2017 before the Judicial Magistrate, Derabassi, SAS Nagar for taking fresh samples who has ordered for taking the fresh samples for medical purpose.

I am of the view that for the purpose of investigation and conducting the medical re-examination, fresh samples are required as the earlier samples have become useless due to passage of time.

Therefore, I do not find any force in the present petition.

Dismissed.
