**Rajbir Sehrawat, J.(Oral)**

Learned counsel for the petitioner submits that although there is no case against the petitioner nor he is involved in any other case which is already registered before the police, still respondent No.3 at the behest of respondent No.4 is harassing the petitioner by calling him to the Police Station everyday for the last one week. It is contended by counsel that the police does not have any authority to harass the petitioner against whom no case is registered.

In view of the above, the present petition is disposed of with a direction to respondents No.1 to 3 not to harass the petitioner by calling him to Police Station except, in case he is involved in any criminal case which might have been registered by the police against the petitioner.
