Vikas @ Bholu

...Petitioner

Versus

State of Haryana

...Respondent

CORAM: HON'BLE MR.JUSTICE H.S.MADAAN

Present: Mr.R.S. Hooda, Advocate
for the petitioner.

Mr.Gaurav Bansal, AAG, Haryana.

H.S. MADAAN, J.

This petition for regular bail has been filed by petitioner –
Vikas @ Bholu – an accused in FIR No.122 dated 19.9.2017, under
Sections 342, 363, 366 IPC and Sections 4 and 6 of POCSO Act,
registered with Police Station Mohana, District Sonipat.

Briefly stated, the facts of the case as per the prosecution
story, are that on 19.9.2017 at about 4:00 p.m., the victim aged about 3 ½
years was playing in the street of village Mohana, District Sonipat, when

accused Vikas @ Bholu son of Ram Chand, resident of that village took her to his home. Thereafter, the victim came out of house of accused crying and told her family that that Vikas @ Bholu had inserted his finger in her private part (vagina) with the result bleeding started therefrom. The grand-mother and mother of the victim took her to Police Station Mohana to lodge report. On the basis of statement of Sonia, mother of the victim, formal FIR was registered. Accused was arrested in this case on 19.9.2017. After completion of investigation, he has been challaned and now the case is pending trial. He had filed an application for regular bail in the Court of Sessions, which was declined by learned Additional Sessions Judge/Special Judge, Sonipat vide order dated 30.5.2018, as such, he has approached this Court with same request.

Notice of the petition was given to respondent – State and counsel representing the State has put in appearance.

I have heard learned counsel for the parties besides going through the record.

After hearing the rival contentions of learned counsel for the parties, I find that the allegations against the petitioner are very grave and serious, which point out towards his perverse sexual mentality. Such type of people are danger to the society at large. If released on bail, there is every likelihood of his not only trying to tamper with the prosecution evidence and even absconding but to indulge in sexual abuse of innocent minor children. The trial against the petitioner is going on, which is likely to be concluded in near future.

Therefore, finding no merit in the petition, the same stands

dismissed.
