The petitioner is seeking regular bail in FIR No. 0141 dated 27.07.2018, registered under Sections 306/34 of IPC, Police Station GRP Rewari, District GRP Ambala Cantt.

Counsel for the petitioner contends that the petitioner is the mother in law and she is in custody since 08.08.2018 and her daughter in law was married to her son 10 years ago and she jumped before a running train and the brother of the deceased had lodged an FIR and had named five persons and three of them were found innocent and the petitioner and the sister in law were challaned. The counsel submits that the deceased was educated but she did not leave any suicide note and there were two children

and there was no complaint earlier and ear-rings were missing and the family suspected the deceased and her boxes were checked but nothing was found and the deceased called up her father who came to the matrimonial home and the deceased has told her father that she was beaten daily and on the next day she left home and committed suicide and the allegations are that she had been insulted and instigated by the family members.

The counsel representing the complainant urges that the case is at the initial stages and though five persons were named and the husband was found innocent and petitioner was one of the persons who had beaten her and a disclosure statement has been given by her and they had tied the girl and had beaten her.

The FIR does not contain any allegation that the deceased had been tied or had been beaten up that day. The father of the deceased had visited her the previous day. The incident had occurred 10 years after marriage. Investigation is over. The trial will take long time to conclude. Without commenting upon the merits of the case, the petition is allowed and the petitioner is directed to be released on regular bail on execution of adequate personal and surety bonds to the satisfaction of trial Court/Duty Magistrate.
