CORAM: HON'BLE MR. JUSTICE AUGUSTINE GEORGE MASI

Present: Mr. Mohit Sadana, Advocate
for the petitioner.

AUGUSTINE GEORGE MASI, J. (ORAL)

It is the contention of the learned counsel for the petitioner that the petitioner had been regularly appearing before the trial Court and because of the wrong noted down of the date, he could not appear before the Court resulting in cancellation of bail. He moved an application for grant of anticipatory bail before the learned Additional Sessions Judge, Sangrur, which was accepted but the petitioner, because of ill-health, could not furnish the bail and surety bonds within the time stipulated. Extension of time was sought for furnishing the bail and surety bonds before the trial Court, which application has been dismissed by the learned Additional Sessions Judge, Sangrur, on 30.10.2017.

Counsel places reliance upon the medical certificate, copy whereof has been appended as Annexure P-5, to submit that the petitioner was suffering from ailment, because of which, he could not arrange the requisite bonds nor he could appear before the trial Court. He, therefore,

prays that liberty may be granted to the petitioner in the facts and circumstances of the case to approach the trial Court and move an application for grant of regular bail, which may be considered and decided at an early date.

Considering the submissions made by the learned counsel for the petitioner, in case the petitioner surrenders before the trial Court on 20.02.2018 and moves an application for grant of regular bail, the trial Court shall grant him interim bail to its satisfaction till the decision on the application for grant of regular bail.

The present petition is disposed of with above observations.
