Heard.

The allegations levelled in FIR are that Mahender Kumar was a tenant in the shop belonging to Ravi for Rs. 1500/-. On 20.6.2018, Ravi accompanied by his wife and jija went to his shop and started throwing brick bats. In the meanwhile, Makhan, Tony and Sandeep, armed with iron rods, came there. Makhan gave a rod blow on head of Jairaj, Tony gave rod blow directly on his head and two blows on his shoulder, Ravi gave a brick blow on his right hand and Sandeep gave a rod blow on his right eye of Jairaj. Rahul and Sandeep started thrashing with kick, fist and brick blows. Complainant and other injured raised alarm, on which accused ran away from spot. It is stated that as per medical evidence, injury on the head, which is attributed to Makhan, was declared grievous. The police is now presenting challan in Court, in which except present petitioner, other four accused have been kept in column No. 2.

The learned State counsel states that in the supplementary statement, grievous injury has been attributed to Ravi. It is also not denied

that parties have also entered into a compromise, copy of which is
Annexure-P-2.

In this case, challan has been presented and trial is pending.
Petitioners are in custody since 4.9.2018. Further detention of petitioners
will not serve any purpose. Therefore, petitioners are ordered to be released
on bail on their furnishing bail bonds in the sum of Rs. 50,000/- each, with
one surety of the like amount each, to the satisfaction of trial Court.

Petition is allowed.
