Whether or not the FIR in question is maintainable in the face of Section 27 of the Pre-Natal Diagnostic Techniques (Regulation and Prevention of Misuse) Act, 1994, being a matter of debate, however, with the State counsel submitting on instructions that the petitioner has also joined investigation pursuant to the order of this Court dated 26.10.2016, this petition is disposed of with the petitioner being admitted to bail to the satisfaction of the arresting officer/Illaq Magistrate, subject to his continuing to comply with the provisions of Section 438 (2) Cr.P.C.

It is made clear that this court is not making any observation at all with regard to maintainability of the FIR, at this stage.
